

Color Palette – Sandy Creek and Wiregrass Meadows Lots 1-10 & 25-35

Sandy Creek main bodies shall be painted muted tones to blend in with the colors found along the lot borders and forest edges. Trim colors may be monochromatic, tone on tone or a contrasting color. Stark white trim and windows are not permitted. Accent colors shall generally be chosen to complement and contrast with the main body while also harmonizing with the main body and trim colors.

Wiregrass Meadows Lots 1-10 & 25-35 main bodies shall be painted with the dominate colors of nature that exist in the preserve area to the south of Wiregrass Way. The trim color may be monochromatic, tone on tone or a contrasting color. The accent color shall generally be chosen to complement and contrast with the main body while also harmonizing with the main body and trim colors.
