

Color Palette – Beach Cottages

The beach cottages along County Road 30-A continue the pattern of development established by Seaside to the east. The colors of the houses are inspired by and complement the emerald waters of the Gulf, the multi-hued Florida sky, the sun washed dunes and seashells, and the native grasses and scrub. Bright colors, faded by the intense sunlight, are trimmed in shades of off-white. Special elements may be a dark tone.

	A23 – Quince Blossom		H25 – Sugar White
	A12 – Cantaloupe		H17 – Dogwood Blossom
