

Color Palette – Pine Crest - Lots 1 - 21 & 32 - 34

Pine Crest lots 1 - 21 and 32 - 34 main bodies shall be painted muted tones to blend in with the colors found along the lot borders and forest edge. The trim color may be monochromatic, tone on tone or a complementary contrasting color. Stark white trim and windows are not permitted. The accent color shall generally be chosen to complement and contrast with the main body while also harmonizing with the main body and trim colors.
