

## WaterColor 2026 Holiday Schedule

The construction hours for WaterColor are 7AM until 5PM Monday through Saturday except on nationally recognized holidays. Any work performed outside stated times must have written authorization from the Compliance & Design Review Manager prior to work being performed. These hours are subject to change and may require special efforts on short notice due to Special Events.

**Each of the following events requires a Major Clean Up of all projects prior to employees leaving the property. The following is a partial list of holidays and events that will require an altered work schedule:**
